Quality Policy

We at CIBA - ICAR "Strive to provide high quality, environmentally sustainable, cost effective brackishwater aquaculture technology and consulting services"

We shall strive to achieve this by

- Conduct research for development of techno-economically viable and sustainable culture systems in Brackishwater.
- Systematically manage our relationship to maximize value for customers.
- Committed to consistently meet the services through continually improving the performance.
- Cost effective in our operation.
- Adoption of quality culture by all employees, in everything they do.

Date: 23rd Oct 2014
